Yes, he was one of the ones (besides Privilege) that Mayfield recommended. He lives in the Valley which is probably why he has been in communication with Colleen. I've never met him nor have I spoken with him.

Also, FYI, Privileg was at Track's graduation. I talked with him but he didn't make it over at the conclusion of the ceremony. During our conversation, he mentioned his interest in LBC (I got the impression he has talked w/Ivy about this).

I'm anxious for Privileged or Personal Mater, etc to get plugged in to various boards.

I'm sort of dreading the Fairbanks agia signing in June if we still dont have something for Privilege by then. I'll bug Commissioner Irwin about him again!

William "Bill" Stokes, PhD is the man Mayfield mentioned to you in a meeting

with the Rev. and Kris Perry a few months ago. Mayfield followed up with me

to let me know Bill would be a good candidate for several of the boards, specifically for PFD. To date Bill has applied for Regents and PFD. He hasn't applied formally through this office for employment. He's from Anchorage, it's interesting he would drive out to the Mat-Su office instead of talking to Kris in ANC.

I'll ask Kari on Tues if she's heard from him - I can't recall who he is and I doubt he's contacted her either.

Colleen,

I have not had contact with Bill in quite some time. I know the Governor committed to hiring a rural advisor during a speech here in Juneau at the ANB hall but I don't believe it was her desire to rush into hiring someone to just fill the job. Finding the right person is very important. We will

consider anyone that would like to apply but I intend to do some outreach and solicit names in order to have a good talent pool from which to select. If you would like, you can check to ensure he has his information submitted to Ivy. Thank you.

Hi Mike, have you had any contact with Bill Stokes in Juneau? He has called here and come by a few times. He is trying to set up something with the Governor as a rural advisor. He is pretty well known in Bethel according to Don Young's office. What do you want me to tell him??

Hello Colleen.

Thank you very much for taking the time to meet with me this morning. Hopefully I will be able to be of assistance to Governor Palin as she develops her rural strategy. I also believe that Governor Palin would enjoy the mementos and imagery stashed in my home office. It also occurred to me that you also may find my office and Sally's studio interesting. If you have kids, we have a 14'x 20' tree fort out back that is just perfect for water balloon wars. Call me when you get the time to drop in.

Again, thank you for taking the time to listen.

Bill....

Hi Sean: yes, mike ran that by me yesterday. I didn't know details but it sounds like a good idea to me if you're game to do it - I understand that Marcia would feel more comfortable not having to visit these folks alone.

If you end up going - enjoy the Houston heat and sun!!!

Good morning,

Just want to double check with you that you know about the gas team's plans for me in Houston this week to try to get more potential applicants. I heard from Marty and Joe B but wasn't able to find out if you knew or approved?? I can do it since they deem it important but I'd like you blessing to go, what do you think?

Subject: Travel details

Jay- Here is some information to assist you in organizing Lt. Gov's travel arrangements:

Meetings so far:

1) Kinder Morgan, Inc. 500 Dallas St. Suite 1000, 713-369-9000

9am Thursday May 31,

Scott Parker, President, KM Pipelines, and Rock Meyer President of Western Regions pipelines.

Representative from the Chairman's office may also attend.

2) El Paso Corp.

2:00pm on Thursday, May 31,

Byron Wright, El Paso's VP of Strategic Planning, and probably a couple of his staff. Byron has direct experience on this project as El Paso's representative working with TransCanada and the producers several years ago. Jim Yardley, the President of the Pipeline Group, may be able to attend as well.

There will likely be other meetings that fall into place at last minute on Tuesday. I have asked our consultants to try to arrange them for Friday or later in afternoon on Wed.

Air travel- Would recommend the following:

ANC- IAH (Houston Intercontinental) - Continental #781

Depart 8:50pm Tues May 29, Arrive 6:39 am Wed. May 30

Non-stop flight time 6 hours 49 minutes

IAH- ANC- Continental #667

Depart 5:30pm Fri June 1, arrive 11:30pm Fri June 1

One stop in Seattle for one hour, no plane change. Travel time 9 hours

If we don't have any Friday afternoon meetings, Lt. Gov could switch to Cont. # 1584 leaving IAH at 3:40pm which is non-stop to Anchorage, arriving in Anchorage at 7:52pm for total travel time of 7 hours 12 minutes.

(I will be on #781 Tuesday night, and will be returning from IAH at the 5:30 pm time frame on Friday unless we can get out earlier on Friday because of no meetings.)

Hotels-

Myself and the two consultants will be staying in Houston in the area of the Galleria. This positions us well to go into downtown center and get north to Woodlands area on the freeways. There will be two rental cars between us.

Attached is a sheet with wide assortment of Hotels around the Galleria. I am staying at the Bradford Homesuites at 3440 Sage Road 800-246-8357, a few blocks away from the heart of the Galleria; the Lt. Gov might like it a little more upscale than I have selected.
